# Arts & Cultural Guide

## Welcome

Welcome to Indian River County,

With each publication of the Arts & Cultural Guide, we gain a renewed sense of the richness of culture in Indian River County. This is the sixteenth anniversary of the Cultural Council's publishing of the Guide. The past year has been a trying experience, impacting every industry including the arts. We thank our advertisers, our members, and our volunteers, whose collaboration and support created this all-inclusive guide to community and cultural life in our county.

The Cultural Council's diversified membership numbers over 200 and includes artists, museums, galleries and art clubs; choral groups, symphonies, orchestras and opera; literary arts, authors and writers; culinary arts; ecology and environment; history, heritage and cultural travel; musicians, performers and speakers; theatre and dance; community organizations, patrons, individuals and families; businesses and corporations.

Following its mission statement, the Cultural Council continually finds and supports opportunities for education in cultural arts, collaborates with member organizations, promotes cultural arts to residents and visitors, provides programming to showcase the arts, and advocates on issues of interest to its constituency.

We hope you, residents and visitors, will enjoy all the cultural life our county has to offer.

Sponsored in part by the Florida Division of Cultural Affairs,  
Americans for the Arts & The Tourist Development Council Indian River County.

## How to Use This Guide

In the first part of this guide, events have been listed by date. Underneath each event is the organization producing the event. The organizations are color coded to correspond to the categories where you can find more information about the event and how to contact the organization.

The companion piece to this guide is our online calendar, [www.culturalcalendar.org](http://www.culturalcalendar.org). All events are listed on an actual calendar so you may look for events on a specific day, during a week or a month. When using the calendar, you can select the category or categories of events you want to see, or you can choose to see everything happening that day, week, or month. Events are linked to a website giving specific information about the event. The online calendar is updated daily.

In the second part of this guide you will find events organized by category. Under each category events are listed in alphabetical order by the organization producing the event. Categories are color coded and are as follows:

### Theatre & Dance

Concerts, Opera, Orchestra & Symphony

Fine Art, Galleries & Museums

Speaker Series, Lectures, Literary & Film

Community Events & Festivals

Children's Activities

Some organizations appear in more than one category as their events and/or productions fall into multiple categories. Contact information for each event is included under the name of the organization.

In addition to our online calendar, please visit the Cultural Council on Facebook; [www.facebook.com/CCIRC](http://www.facebook.com/CCIRC) and Twitter; [twitter.com/CulturalCIRC](https://twitter.com/CulturalCIRC) for the latest news.

Enjoy the 2020-2021 Arts & Cultural Guide and its many events.

## ART IN PUBLIC PLACES

The Cultural Council of Indian River County has developed the AIPP Program to enable professional Florida Artists access to public venues to display their work. The gallery exhibitions are located in the Secure Passenger Area at the Vero Beach Regional Airport, the IRC Intergenerational Center, the Indian River County Administrative Complex (Buildings A and B) and the Indian River County Courthouse.

"Call to Artists" are sent out approximately 1-month prior to change-overs, with Volunteer Program Coordinator Mark P. Wygonik, Volunteer Program Administrators Judy Burgarella and Lee G. Smith, handling installation of all exhibits.

For additional information on submission to exhibits and to download the location spec sheets visit the CCIRC Community page /Art in Public Places
